Work Experience

MII Foundation| Frontend Developer Intern **June'2024 - Aug'2024**

- Built responsive and interactive web applications from UI/UX designs, focusing on user-friendly and accessible interfaces.
- Collaborated with designers, backend developers, and project managers to deliver seamless digital solutions.
- Applied technical skills to develop platforms that align with the foundation's social impact initiatives.

Projects

Job Nest: Job Portal **Jan'2025**

Built a simple and easy-to-use interface for job seekers and recruiters.

- Made the platform responsive and accessible on all devices.
- Improved the flow between candidates and employers for faster hiring.

PixMind: AI Chatbot **Sept'2025**

Built Pixmind, a chatbot that creates images from text using Google Gemini API.

- Designed a chat interface for smooth interaction and instant image results.
- Used AI to add personalized image generation for different use cases.

Academic and Extracurricular Achievements

- **AWS Certified Cloud Practitioner certification**

Positions of Responsibility

AWS Cloud Club Community MU| Public and Relations Head **Jun'2024 - Apr'2025**

- Managed communications, branding, and outreach to build strong campus and external presence.
- Ensured consistent messaging across social media, newsletters, and press through team collaboration.
- Grew community by acquiring members and partnering with industry leaders and institutions.
